Director of Public Health

Dear Member,

I would like to take this opportunity to welcome you to the Monroe County Local Early Intervention Coordinating Council (LEICC). Your willingness to serve as a representative is greatly appreciated.

The LEICC is a valuable network for our families, members of the community and for the Early Intervention Program. This is a unique opportunity for people to share thoughts and ideas on how we can best serve our children and get them the resources they need.

I wish you all the best in your involvement with this Council and again want to thank you for helping to make a difference.

Below is a checklist of items you will find in your Orientation Packet. Please do not hesitate to contact our program if you have any questions / comments. I look forward to hearing of your progress and participation.

Sincerely,

A handwritten signature in black ink, appearing to read "AS Doniger", with a long horizontal flourish extending to the right.
